

MEMORIAL EXERCISES
FOR CONFEDERATE DEADAddress by Judge Bachman to
Be Followed by Strengthening
of Flowers.

Judge Nathan L. Bachman will deliver the address this afternoon at 4:30 o'clock at the Confederate cemetery on the hill. In addition to the feature of loyalty and devotion to the fallen heroes, the spirit of patriotism for their sons and grandsons, now engaged in the nation-wide conflict, will be in evidence.

Flowers will be placed on the graves by the veterans and Daughters of the Confederacy and children of the Jefferson Davis auxiliary. Music will be furnished by the Eleventh cavalry band, which will head the line of march from the Oak street car line, down Baldwin street to the cemetery. After the exercises at the cemetery, members of the N. B. Forrest camp, and A. P. Stewart chapter, U. D. C., will serve supper for the band at the Read House. Parties going to the cemetery on foot or in automobiles have been asked to enter by the Fifth street entrance, and those going on the East Chattanooga street cars to enter by the north gate.

The veterans, both Confederate and Union, will assemble at the soldiers' rest room on Broad street at 4 o'clock, where a special car will be provided to take them out Oak street.

The following is the program and order of exercises:

Call to order by commander of N. B. Forrest camp at 4:30 p.m.
Invocation by Rev. Thos. S. McCauley, music by the band, "Silence."
Introduction of the orator of the day.

Address by Judge Nathan L. Bachman, music by the band, "Dixie."
Conferring of crosses of honor by Mrs. W. G. Oehms; music by the band, "Tenting on the Old Camp Ground."

"The Red Cross; What It Is and What It's Doing," Mrs. Loring Clark; music by the band, "America."
Repeating the Lord's prayer in unison.

After sounding tans and the doxology by the chorists, the Daughters of the Confederacy and the children of the Jefferson Davis auxiliary will strew the sacred grounds with flowers in honor of our Confederate dead and in memory of all who have died for liberty and humanity. The scattering of flowers will be accompanied with appropriate selections by the band.

Judge Nathan L. Bachman was the principal speaker at the Confederate Memorial day exercises Monday afternoon. Among other things, Judge Bachman said that he was heartily in favor of abolishing the words "lost cause." "There is no loss to any cause that produces men like Lee, Jackson, Johnson and the rest, and there is no cause that is a lost one which makes the history and set the example of heroism and bravery as the Civil war did," said Judge Bachman.

Mrs. August Schmidt, exponent of the Fletcher method of musical instruction, is planning a recital by her pupils, to be given about the middle of the month.

GARDENS PRESERVED BY
HOING DURING DRY SPELL

Almanac does not give encouraging outlook for weather this month. Hoe, hoe, hoe must be the slogan of the gardeners these days if weather predictions mean anything. While the local forecasts tell constantly of showers, which may or may not materialize, but seldom fall on a very great area.

students of the almanac do not give a very encouraging outlook for interruption of the drought for some days to come. According to that, hazard, no relief of a substantial sort is promised this section before the third week in the month. Unsettled conditions are promised for the middle of the month. A local observer calls attention to the fact that whether scientific or otherwise, the almanac predictions have not varied from facts, to any appreciable extent, since the first of the year.

Since all signs fall in dry weather, the ones predicting continued drought are quite as likely to miscarry. However, this may be, attention is called to the fact that the ground contains a goodly supply of moisture from rains earlier in the year. The breaking of the capillary circulation of the water by stirring up the surface of the ground surrounding growing plants will do much toward conserving this subterranean water supply by preventing evaporation and benefit the plants for more than sprinkling.

MIKE FENTON'S HAND
BLOWN OFF AT CAMP

Local Boy Seriously Wounded While Throwing Hand Grenade at a Bomb.

Maurice (Mike) Fenton, one of Chattanooga's best athletes, is recovering from a serious injury sustained a few days ago at Camp Jackson, Columbia, S. C. His left hand was torn off at the wrist by the explosion of a hand grenade.

"Mike," as the young man was familiarly known, went to Camp Jackson last September as a member of the second draft army. He became very proficient in throwing hand grenades, and he is understood to have been retained at camp, when his regiment went overseas, to instruct newcomers. He is a sergeant in the engineering corps.

"Mike" is in a hospital at Camp Jackson, and will probably return to his home in East Chattanooga in a few days.

For the country and flag that he loves he has given his hand, and will go through life with vivid recollections of the fateful explosion of a deadly grenade.
Fenton was a star athlete at Central High school, where he graduated in 1915. He was placed on all city teams, was a member of the 1913-14 football teams of the Purple and Gold institution. He starred on the baseball and track teams and took part in other athletics. He was halfback on the football team.
Although he did not fall on the blood-soaked fields of France, "Mike" Fenton was doing his bit for the cause of world democracy, and doing it faithfully and efficiently.

O. P. DARWIN MAY RUN
FOR SPEAKER OF HOUSE

L. D. Miller and J. O. Martin
Qualified for Legislature—No
Democrat Opposes Watkins.

The many friends of O. P. Darwin are urging him to allow his name to be used in connection with the lower house. Mr. Darwin, when seen by a News reporter, stated that he had not given the matter the necessary consideration, but would make a definite announcement in a day or so. The friends of Mr. Darwin at first urged him to make the race for the state senate and he practically consented with the understanding that there would be no fight and that Col. Watkins would not become a candidate. However, as Col. Watkins has entered the race, Mr. Darwin declares he will support him. It is the desire that if Mr. Darwin makes the race for the lower house he will be a candidate for the speakership. As the speakership of the senate went to Hamilton county last year, it is not thought that it will be asked for again this year.

The other candidates who have announced and qualified are L. D. Miller and J. O. Martin. Mr. Martin is a well-known business man and a member of the democratic executive committee and also the primary committee. L. D. Miller is a young lawyer who has proved his ability. The labor interests may be expected to place a candidate on the ticket, but so far have expressed no choice. It seems to be the opinion and wish of every one to send to the legislature at this particular time the highest class and most able men that can be induced to run. Mr. Darwin's announcement will be awaited with interest. Col. Watkins, who qualified for the state senate on Saturday, is not likely to have democratic opposition.
